

Pallazzo

Bioklimatska pergola

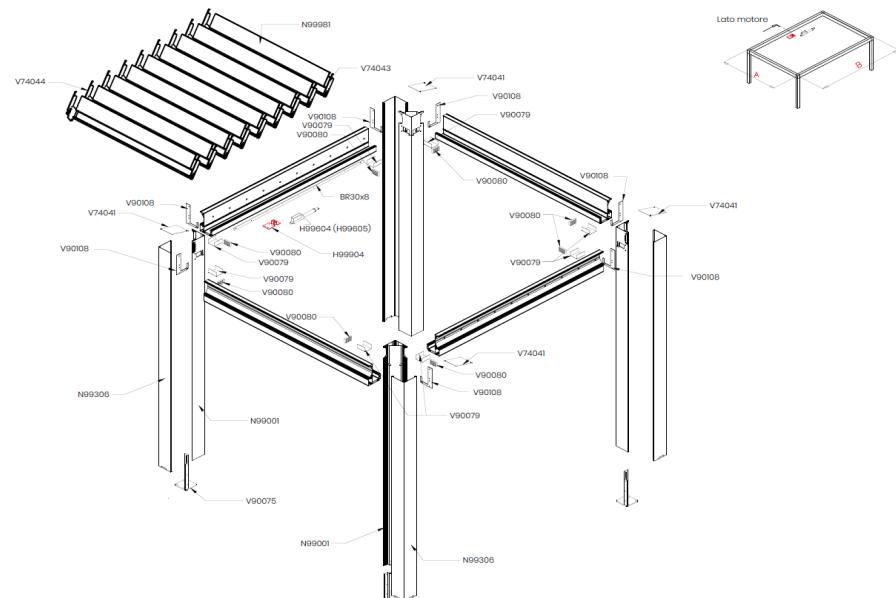

Prednosti pergole Pallazzo

Za vas

- Dobava v kit kompletu
 - Enostavna in hitra montaža
 - Tehnična podpora – orodja :
 - Nova brošura
 - Tehnični katalog
 - [Video montaže](#)

A modern building facade featuring a red glass wall and a light-colored lower section. A large, dark grey metal pergola structure is installed on a terrace. The pergola has a flat roof supported by four black columns and a glass door. The terrace floor is made of light-colored tiles. In the background, there are other buildings under a clear blue sky.

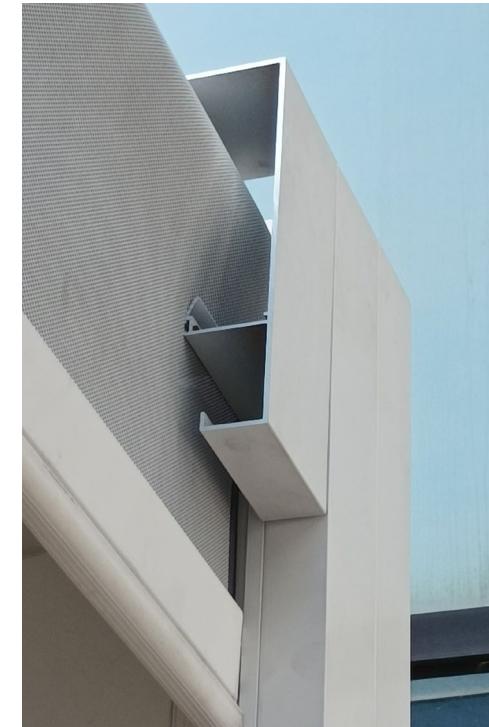

Prednosti pergole Pallazzo

ALUK®

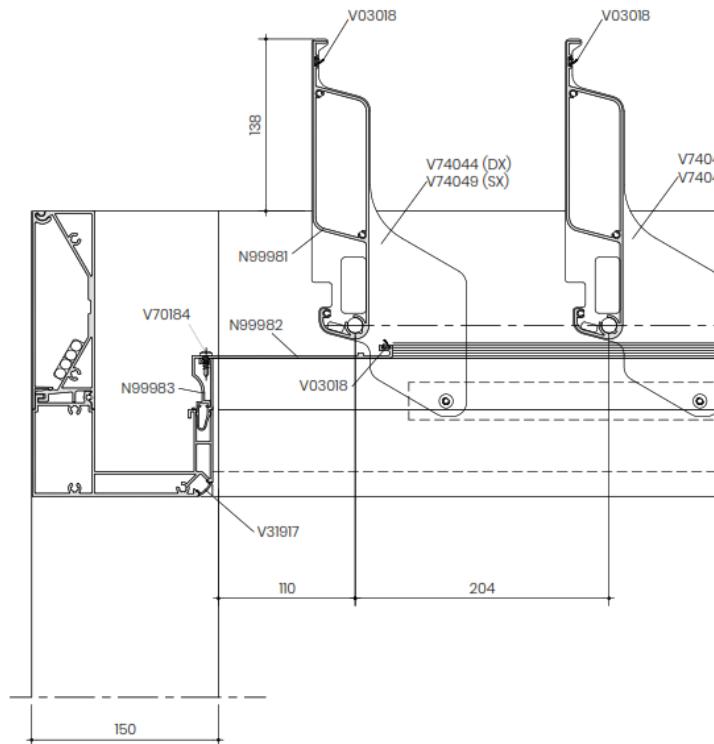

Za investitorje
